EDUCATION

- Vir

SKILLS

- **Technical Skills:** JABCASDASDAS
- **Soft Skills:** Communication, Problem Solving, Team Collaboration, Leadership

EXPERIENCE

- **Graph-Driven Data Integration and Chatbot**
- Collected and integrated data from web and API sources into a structured JSON format using Python (BeautifulSoup, requests).
- Modeled the data in Neo4j using Py2neo and designed Cypher queries to explore entity relationships.
- Built a Python-based command-line chatbot to allow users to query and interact with the data using natural language.

- **ShopIt - E-commerce Website**
- Collaborated on the development of an e-commerce website.
